THE WAY TO THE CROSS

SATURDAY 13 APRIL

ACTS AND DEEDS - FIXING THINGS & USING YOUR HANDS

On Saturdays during this course we're going to reflect on Acts and Deeds. This is going to be a more practical reflection. You may be asked to do something, consider giving alms, put your faith into action. These are suggestions and with all other suggestions for reflection in the course they're there to provoke thinking and for you to consider how best to adapt them to your current season in life.

Today you're invited to fix something, to use your hands to fix something where you live or for someone else.

The fix could be quick and simple - sew a button, replace a lightbulb, is there someone who has been asking for some computer shortcuts?

If you want to perhaps you could 'fix something' using your hands (with permission), perhaps mow a lawn, wash a car, fix a sticking door?

If you enjoy crafting or baking or cooking perhaps you could make something to give to someone else today.

Second Sunday of
Easter

Almighty and eternal God, the strength of those who believe and the hope of those who doubt, may we, who have not seen, have faith and receive the fullness of Christ's blessing, who is alive and reigns with you and the Holy Spirit, one God, now and for ever. Amen.
