I believe in ... the maker

Job 38: 4-7

God answered Job...

‘Where were you when I laid the foundation of the earth?

Tell me, if you have understanding.
Who determined its measurements—surely you know!

Or who stretched the line upon it?
On what were its bases sunk,
or who laid its cornerstone
when the morning stars sang together
and all the heavenly beings shouted for joy?

To Reflect

- What do you enjoy making? How does this link to how you think about God—the maker, the creator?
- God our Maker is one attribute of God, what are others you can name?

To Pray.

I thank You God for most this amazing day: for leaping greenly spirits of trees and a blue true dream of sky; and for everything which is natural which is infinite which is yes.
